# DVDEXT CABLE

1. On the DVDEXT cable, connect the 15-pin FEMALE connector to the 15 pin MALE connector on the cable you are extending.
2. Now you can connect the short cable with the 15-pin male connector to the DVD Player that you are connecting too.
3. The other longer cable with the 15-pin connector can go to the next DVD Player or to the next DVDEXT cable
4. To add more cables repeat steps one and two above.
